Your dedication to our school is greatly appreciated! In order to best utilize your time at our school, please let your child's teacher know in advance when you will be volunteering, so that s/he may be prepared for you. If you plan to spend the day at our school, we encourage you to eat lunch with your child in our "dining room". The children always enjoy the special treat of having their parents visit during school.

Due to confidentiality laws, volunteers are not allowed access to personal or academic information about individual students, other than their own. Because of this, volunteers are not allowed in the staff lounge, or to participate in any meetings in which confidential information may be discussed.

Thank you for your cooperation and continued involvement in our school. We appreciate all you do!
