

MAKE YOUR CHILD'S DAY!

Attention moms, dads, grandpas, grandmas, aunties, uncles, and other family members of Stetson students:

Order a special treat for your child and show how much you care!

This is how it works:

Decide which special day you want your child to be surprised (birthday, holidays, first day back from school after a break, or any other day you choose), fill out the form below with the requested information, submit the order to Jerre Nakagawa at Stetson's office (send it with your child in an envelope marked to the attention of "Jerre Nakagawa" or bring it directly to our office), and include payment of cash or check/money order payable to Stetson Elementary School for \$7.00. Stetson will do the rest! We will have a surprise waiting on your child's desk, with a nice note, when they walk in the classroom door. You may choose between a cute stuffed animal (which will vary by season) or a general toy (i.e. hackey sacks, slinkies, etc.) A great way to begin a special day!

Your child may also choose to do this for a friend or classmate, or even for a teacher! Everyone loves special surprises!

Get your orders in as soon as possible (even if the special day is much later in the year) so that we can plan accordingly. Any profits made will be used to support Stetson Elementary purchase much needed technology equipment and other educational resources, and to support ongoing staff development for our teachers. Help the school and make your child's day at the same time!

Child's Name: _____ Teacher: _____

Gender: male or female (circle one)

Date for delivery? : _____

What is the special occasion? _____

Choice of surprise: small stuffed animal or toy (circle one)

Please write, in the box, exactly what you want the card to say, including who it should be signed from:
