
Stetson Elementary School—Falcon School District 49

School Advisory Council

Stetson is actively seeking additional parent, community, and business members to serve on our School Advisory Council. This council meets to discuss topics that are vital to the overall success of our students. We look at school improvement plans, school security measures, district initiatives that affect our students, and serve as a sounding board for our students, teachers, parents, and community members. If you are interested in joining please contact Mike Pickering at 719-495-5252 or mpickering@d49.org
