

Card Grouping: Standards-Based Grading

Can SBG²⁶
be eliminated
all together?

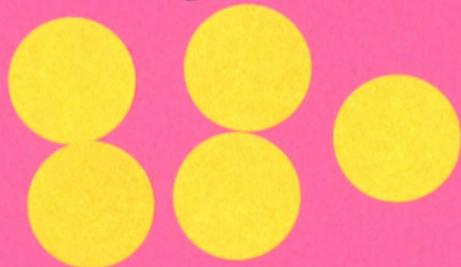

How do gpas of other
d49 high schools still
on traditional grading
systems compare to
FHS? College Rem. classes
³³
needed?

Is there a correlation
between ACT scores
and FHS students
that were a part
of SBG?

Are you going to respect
the community's desire to
have a traditional grading
system, or are you going
to try and justify
Standards-based grading
using this general feedback?

will we define
measurable goals
for success?

22

How does the
FHS transcript
translate to
College/University
Admissions? ¹⁹

Why is FHS²³
the only partici -
pant in this
program? S.B.G.

Why won't the³¹
Percentage way of
grading work with
the Standards?

Did SBG lower¹⁴

College Remediation

fates?

since 2011?

Is there a
financial implication
to changing from
SBC? Is there funding
attached to SBC?

Card Grouping: Innovation

What is the
need/purpose
of the innovation
plan? 10

Will the ²⁹ BOE
support developed
innovation plans, now
and in the future?

What are the 12
advantages of being
an innovation
School?

24
WAS THERE ANY
Community involv-
ment in this
decision? Israel.
Tibon

What spurred the
change for
innovation?

How Can different
innovation zones
assess Kids/Teachers/
grading be Standardized?²⁸

Who developed and
approved the original 16
innovation plan?

25

Who decided to
have FHS apply to
be a school of
innovation?

Does FHS^{3.}
have to be
a school of
innovation?

2.

What is your
definition of
innovation?

How does
innovation of
untested programs
positively impact
our students? I.

Card Grouping: Academies

What is the list of active academics in our innovation zone?

What is the implementation status, cost, and budget of each innovation point?

What is the?
Value of the
Academy?

Cost of

Academy?

vs. new textbooks

Were costs of 6
academies budgeted
for?

Academy vs. S.
General interests

Card Grouping: Curriculum

Could we add?

More Vocational

Programs that are

Non-college track?

What are we
doing for non-
college bound
Students?

Why are there no
specific details^{is}
in syllabi?

How does
common core
play into this?

20

Other Cards

Is Colorado

moving toward

Competency based
graduation rates?
req.

Have we or do we
intend to benchmark
other schools?

I Know my Child best -

When are you going
to include parents in
their child's learning
(we aren't stupid)

What about the 21
teachers who discourage
the kids from re-taking
tests ~~at~~? They make
it harder and tell them
they will fail.

What is the 3Y
target condition
for this mtg?

See Pg 10, Sec II. 1 IS

Was the 9 month review
policy adhered to when a
new principal was hired?
What, if any, revisions were
made?

How are expectations
to be set for
today's and future
meetings.

(task did not have clear
information) →

we are all
middle school
parents.
