# Parent to Parent™

Empowering Parents to be their Child's Strongest Advocate

The **Parent to Parent** program provides informative and interactive parent workshops to groups and organizations in the local community.

Workshops last from 20 - 60 minutes and can be tailored to meet the needs of your organization. The high quality resources and materials we provide will help parents become their child's strongest advocate.

Workshops Designed for Parents of Elementary School Age Children

“Our workshops help parents establish a strong foundation for their children by sharing practical, professional information in a fun and interactive forum. Studies show that parent involvement plays a critical role in a child's education. But, it is especially important at the elementary school level. Parent to Parent can give you the tools and strategies to make the most of your child's education.
