Career and College...

You're a Senior! Congrats! What is next?

- Now is a great time to start deciding your post secondary goals!
- Some possible choices:
 - Enlisting in the Military
 - Attending college in pursuit of a: Certificate, Associate's Degree or Bachelor's Degree (all of these are "college!")
 - Going straight into the workforce

Be sure to have a plan, no matter what the plan is!

There are opportunities this year to explore your options, such as: meeting with Military Recruiters virtually, meeting with College Admission counselors virtually or setting up times to job shadow or complete an internship.

Talk to Ms. Fleming about these options!

Higher Education Academic Recommendations (HEAR)

The Colorado Department of Higher Education recommends that you have completed the following courses to be a strong candidate for college admission.

****Remember that colleges can create their own additional requirements. For most Colorado colleges and universities, the only difference *typically* is the foreign language requirement**

- Math: 4 years
- Natural Science: 3 Years (2 years, lab based)
- Social Science: 3 years (1 year US or World History)
- World Language: 1 year
- Academic Electives: 2 years
 - I.E, Intro to Engineering, Psychology, etc.

- Community Colleges have “Open Enrollment” policies. Anyone is admitted to a community college so long as they have a High School Diploma or GED.
 - Community Colleges have great transfer agreement programs with Colorado Universities.
- Fee Waivers for students on FRL

A photograph of a group of people at a social event. In the foreground, a woman with blonde hair is seen from the side, wearing a dark long-sleeved shirt, reaching out towards another person. The person being reached towards is wearing a white and maroon long-sleeved shirt with a logo on the chest. To the right, another woman in a purple t-shirt is visible. In the background, there are several people seated at tables, and a few balloons (red and black with white polka dots) are hanging from the ceiling. The scene is lit with warm indoor lighting. A large, bold, white text overlay is centered across the middle of the image.
