

PowerSchool Parent Account Creation Guide

Get Started

PowerSchool is the District's new web-based tool providing real-time insights on student grades, schedules, performance, and attendance.

Before you can access your student information, you must create a new parent account (*existing IC accounts will not work in PowerSchool*). You need to have at least one student Access ID and Password to create an account. You will receive this information in an email. If you do not have this information, contact your school.

Set-up your account (Each parent/guardian may create their own account)

Step 1: Open your Web browser to <https://d49.powerschool.com>

Step 2: On the Sign In screen, choose the "Create Account" tab and click on "Create Account" at the bottom of the Create an Account window.

Click "Create Account"

Verify by clicking on "Create Account"

Step 3: Complete information requested.

Parent Account Details

Enter YOUR Last Name, YOUR First Name, YOUR e-mail address, your preferred username and password.

Your new password should contain:

- At least 8 characters
- At least 1 uppercase and 1 lowercase letter
- At least 1 letter and 1 number
- At least one special character
e.g. '~ ! @ # \$ % ^ & * () _ + -

E-mail address must be unique. Multiple parents cannot share the same e-mail address

Username must be unique

Verification password must match the new password above

Step 3: Complete information requested (Continued)

Link Students to Account

Student Name - Enter the first and last name of the student you want to add to your account.

Access ID and Password - Enter the unique Access ID and Password that you receive in the mail. **Contact your school if you do not have this information.**

Relationship - Choose how you are related to the student.

Link Students to Account

Enter the Access ID, Access Password, and Relationship for each student you wish to add to your Parent Account
