### WEBINAR SCHEDULE

**Sept. 23 from noon – 1 pm AZ Time**

Project Management Through Gamification: Learn how to create a productive game using the Agile method. Attendees will also identify ways to help your students work smarter, not harder, in a fun and interactive manner.

**Oct. 28 from noon – 1 pm AZ Time**

Transitioning from In-Person to Online Courses: Now that we are embracing virtual learning, moving your current curriculum to an online platform is not without challenges. We're teaming up with our partners at Orbis to talk about ways you can organize content to encourage consistency and communication with your community.

**Dec. 2 from noon – 1 pm AZ Time**

Small Group Instruction for the Elementary Classroom: Not every meeting needs to be full-time with your full class. We will talk about how to use and manage small groups to help with learning and engagement.
