

Pikes Peak Regional Policy on Student Medication/Care Plan

Within Policy Guidelines of School District 49

Parents are encouraged to administer medication to their children outside of school hours if at all possible. Only medications which are required to enable a student to stay in school may be given at school. If necessary, medications (prescription and over the counter) can be given at school under the following conditions:

1. All medications must be ordered by healthcare providers with prescriptive authority in CO (MD's, DO's, NP's, PA's).
2. All medication forms must be renewed **each school year**.
3. Written permission by parent and physician is required in all cases.
4. Medications must be in the original, properly labeled container. Medications sent in baggies or unlabeled containers will not be given.
5. All medications must be kept in the health room, except for students whose doctor requires them to carry medications on their person (for example, epipen, inhaler, etc).
6. See School Board Policy JLCD and JLCD – R for more information.
