

---

The Pikes Peak Interagency Transition Team was created in 1992 when transition services were mandated by the State, and transition coordinators needed to tell families what resources were available. The PPITT has evolved so that agencies and providers can stay updated, connected and to network. PPITT also publishes an annual resource directory and hosts an annual resource fair. In addition, PPITT has a listserv where events, etc. are posted and forwarded by members.

## **Do you have a Colorado ID?**

A photo I.D. is required to qualify and obtain public benefits (Medicaid, SSI, Vocational Rehabilitation, etc.), board an airplane, open a bank account, be hired for a job, rent an apartment, etc. Apply at the Department of Motor Vehicles (DMV) at 2477 N. Union Blvd. Colorado Springs, CO 80909 (719) 594-8701 **BEFORE THE AGE OF 18**

To be issued a Colorado I.D. card, full legal name, identity, age, and lawful presence in the U.S. must be proven.

For more information, refer to: <https://www.colorado.gov/pacific/dmv/identification-card>

Achilles is an all-inclusive walking/running/cycling/moving group that advocates active lifestyles to promote personal achievement and enhance self-esteem. We offer free weekly workouts that are open to anyone with a disability. Each participant is paired with a volunteer guide based on the participant's pace and distance. Achilles includes all ability levels: walkers, runners, and people who use wheelchairs and handcycles. We meet on Monday evenings at the Colorado Running Company located at University Village Center: 5262 N. Nevada Ave, Suite #140, Colorado Springs, CO 80918.

Brain Integration Therapy (BIT) is a cognitive processing therapy that incorporates multiple modalities. BIT helps remediate dysfunction related to traumatic brain injury, learning disabilities and emotional inhibitors using a holistic, three dimensional, integrative approach to promote whole brain function. Emotional Freedom Techniques (EFT/Tapping) & Reiki assist in correcting imbalances in the body's energy system that have profound effects on one's psychology. Supporting all modalities with aromatherapy using clinical grade essential oils-the sense of smell is directly linked to the emotional control center of the brain. May benefit: TBI, Emotional Release, PTSD, Chronic Pain/Stress and more.

The Shandy Clinic is a private outpatient therapy clinic. We offer evaluations and treatment in the following areas: Sensory Processing, Feeding and Swallowing, Fine and Gross Motor Skills, Adaptive Development, Stuttering, AAC Devices, Hand Writing, Learning Disabilities, Articulation, Language and General Developmental Delays. We also offer treatment for children on the Autism Spectrum. Supporting each of these through occupational, speech and physical therapy. We have four locations in Colorado Springs, one in Boulder, and coming soon to Pueblo. We take pride in our personalized, individual therapy in a friendly family environment. We also empower our staff to think outside the box to find creative solutions to help our patients make progress. We welcome any questions that parents or community providers may have about a child in their life that may not be developing like other children. Our passion is to provide exceptional therapy for exceptional children.
