

MEET THE TEACHER!

Ms. Virginia Jarvis

THE BASICS!

Hi! My name is Ms. Virginia Jarvis. I am a native of Colorado Springs where I currently live with my parents and my dog. I enjoy learning new things and sharing them with others. I will be your student's High School Math Teacher this year. Your student is either in Algebra I, Geometry, or SAT Math Prep with me. This is my fifth year of teaching and my fourth year at Vista Ridge High School. I am excited to make this year the best year that both your student and I have!

MY CHILDHOOD!

Being a Colorado Springs native, all of my schooling was done here. Kindergarten through 5th Grade I attended Roosevelt-Edison Charter School and then Emerson-Edison Junior Academy for 6th and 7th Grade, both in District # 11. For 8th Grade I attended Panorama Middle School and then Sierra High School, both in District #2, graduating in 2008. While at Sierra High School, I lettered in Academics and as an Athlete in Swimming and was in the National Honor Society.

MY FAVORITES!

Food: Chicken Spaghetti
Movie: Marvel's Avengers Movies & all Kendrick Brother Movies (Facing the Giants, Fireproof, etc.)
Book: Jeanette Oake's Books & Kendrick Brother Books (Facing the Giants, Fireproof, etc.)

Fast Food: Panera Bread or Chick-fil-a
 Singer: Steven Curtis Chapman
Hobby: Scrapbooking & Card Making
Subject: Math
Store: Sam's Club or Walmart
Dessert: Chocolate Cake or Mint Chocolate Chip Ice Cream
Candy: Peanut M & M's
Restaurant: Texas RoadHouse
Flower: Rose's

MY EDUCATION!

In December of 2016 I graduated with a Bachelors of Arts in Mathematics with a Minor in Coaching from Colorado State University—Pueblo. Prior to attending CSU-Pueblo I attended Pikes Peak Community College where I obtained my Associates of Science Degree. While attending PPCC I took several American Sign Language course and eventually hope to get certified as an Interpreter.
