

# Keeping Our Students Safe

Parents/Guardians,

In order to keep our children safe, we have installed an entry system. Beside the front door you will find a doorbell camera.

To enter the building, follow the steps below:

1. Look at the camera.
2. Press the Call Button to ring the doorbell chime and activate the monitor.
3. Talk into the speaker.
4. Office will buzz you in.
5. Walk directly to the front office to check in. Do not go to other areas of the building.

Once at the Front Office:

To better protect our students, visitors and staff, our campus screens for registered sex offenders.

A valid State issued ID is required to enter our campus. Military ID's are not accepted. Thank you for your cooperation.

Para proteger mejor a nuestros estudiantes, visitantes y empleados, nuestro local hace comprobaciones en el registro sobre delincuentes sexuales. Para entrar en este local se requiere una licencia valida. Favor de registrarse en la oficina. Gracias por su cooperacion.
