

# D49 School Fee Payments Just Got Easier!

District 49 is excited to announce our new online payment system! In an effort to reduce time, money and paper waste, parents of returning students can avoid the long lines of school start-up and pay their children's school fees through a secure online website that is accessed through the PowerSchool Parent Portal. All you need to do is click on the link in the sidebar menu that says, 'Fees & Transportation Services.'

If you are a parent who has multiple children at multiple schools, they will all appear together under your online payment parent account. With a few simple mouse clicks, parents can view assessed fees, any outstanding balances, and pay for all of their children in a single transaction. Payments can be made by Visa, Visa Debit, MasterCard, MasterCard Debit, Discover and ACH Electronic Check.

- For inquiries about account setup and using the system, please email [help@district49.on.spiceworks.com](mailto:help@district49.on.spiceworks.com)
- For general information about fees, please contact your child's school.

As a D49 parent, you have the option to pay a number of mandatory and elective school fees online, as well as sign up for Transportation Services. Our fee management and online payment system is an easy and secure way to pay school fees from the comfort of your home or office.
