

Hello OES Parents/Family and Friends!

We hope that you are having a wonderful summer. Our staff is eagerly awaiting the arrival of your children. Our teachers and staff have created joyful classrooms and a great learning space for students. Attached to this letter you will find a staff directory to assist you during this school year. We look forward to connecting with all of you at our Back to School Event.

As we launch into the 2018-19 school year, we are excited to continue our work to serve our students. This year we will continue a focus on:

1) Serving our community

Our goal is to keep you informed of events and opportunities being offered through weekly emails, an updated website and a current facebook page. When you walk into the school you should always experience dynamic customer service and we appreciate you providing feedback through surveys we offer throughout the year.

2) Focusing on the whole child.

We will use elements of *Capturing Kids Hearts*, *Leader In Me* and teach 21st century leadership that creates a culture of student empowerment based on the idea that every child can be a leader. We will look at student preferences to personalize their learning opportunities.

3) Engagement for ALL

All classrooms will have an emphasis of obtaining 100% student engagement throughout all lessons. Teachers will develop learning opportunities that actively engage students to think critically and work together to deepen their learning. Using principles of Kagan Strategies and a Language Rich Environments students will be involved in their learning path.

4) Authentic Learning

Student will have real world opportunities to demonstrate their learning and have several opportunities to showcase their work throughout the building. We will celebrate the hard work of students and share their learning through products throughout the year.

We are working hard with our new Student Information System (SIS), PowerSchool, and will have information to you soon. Thank you for your patience during this transition.

Please check our website for more information! Our first day with students is August 3rd. We look forward to seeing you there! Thank you for entrusting us with your children.

Sincerely,

Sarah McAfee
