

# Odyssey Weekly Update

My Path. My Future.

## Principal Corner

Hello Odyssey Families,

Parent-Teacher Conference Week is here!

Our teachers are excited to share the gains that have taken place during this first quarter of school. Beginning-of-the-year testing took place nearly two months ago, and students have already come so far. If you have not signed up for a conference time yet, please reach out to your child's teacher. At these conferences, you can expect to hear:

- We love family participation! You can expect a warm welcome.
- Your child's life-long skills contribute to their learning. Character traits and leadership from our students unlock engagement and grit.
- Your child's learning in core subjects during these last two months is measured with our standards-based report card. We emphasize the learning journey and next steps, not just simple letter grades.
- The next steps for your child will be key for the rest of the school year. Once we establish where your child is starting the school year, we'll also talk about what we can strive toward going forward.
- Your child is special and unique! Every child adds to Odyssey, and every child deserves to keep growing and improving. Their path will be as unique as they are.

While we appreciate your teamwork and all the efforts you put in with your family, please know that our teachers are working extremely hard, too! A trinket, a card, a small token, or a genuine "Thank you!" to show appreciation for our teachers this week would go a long way.

Finally, did you know that there is going to be an election for our school district related directly to teacher salaries? We love our D49 teachers! If you want additional information, [see this resource featuring our very own Mrs. Pellow](#), [you can watch some informational videos](#), [read about the 777 proposal](#), and [learn about some amazing teachers](#).

This is a great week for meeting with teachers, and feel free to approach our administrative team or other staff should you have any questions, too.

In partnership,

Mr. Kris Levi  
OES Principal

## ***Note from our Social Worker - Mrs. Mackenzie Whitaker***

Give your students a reminder at the beginning of the day that they can be successful at school and try to go over a couple expectations. This could help start their day on a good note and allow them to set their sights on having a positive experience at school, which could mean you get better reports from their teacher at the end of the school day.

Before you can access your student information, you must create a new parent account (*existing IC accounts will not work in PowerSchool*).

You need to have at least one student Access ID and Password to create an account. If you have multiple students in our district, you should have received an email for each of those students with an Access ID and Password to link each of your students as you create the account.

If you did not receive an email containing the Access ID and Access Password(case sensitive), please contact your student's school to obtain this information.
