How do I contact my Husky's teachers?

Send an email to the teacher using their [d49.org](mailto:teacher@d49.org) email address

Call 719-495-1149 (enter extension) to leave a voicemail. *You can find your teachers extension on our website under classes.*

Teachers will get back to you within 24 hours.

E-mail is the best way to get in touch with them during the day!

How can I be involved to volunteer?

Everyone who is coming to work in our school as a volunteer must have a background check completed. **A new one is required each school year!**

This is **NOT** required to come eat lunch with your child or to attend class parties. It is required to chaperone a field trip.

The form can be found at [volunteer opportunities](#).

It is all completed online. If you have questions or to verify whether or not you are an approved volunteer, please contact the Human Resources department at 719-495-1100..
Get yours filled out today! We love seeing our parents!

What are your procedures for visitors?

Each time you visit our campus, you'll be asked the purpose of your visit and to show your ID. Keeping our Huskies safe is our top priority!

Once in the building we'll scan your ID into raptor, our visitor management system, and be given a badge.

If you are coming to volunteer, you will need to go through the volunteer background check. See Husky Handler #2 for details.

Can I walk my Husky to class?

We encourage you to walk your Husky to class during the first couple of days of school. After that we implement our “Kiss and Go” policy.

We are a large school and this means we cannot accommodate parents waiting in the building with their children.

Students will become experts at walking to their classrooms on their own!

How does morning drop off work? I heard the parking lot can be crazy!

Students should be dropped off at the designated drop off area in a timely manner to facilitate efficient traffic flow.

Do not park your car in any of the drop off areas in front of the school.

Should you need to park please do so on the main street.

Remember- if your student is arriving after 8:20, it is considered a tardy. Please escort him/her to the front office to sign them in.

Safety first!

Parties/Student Birthdays

We love to celebrate student birthdays! In order to best maintain nutrition requirements we will **celebrate birthdays with non-food treats.**

You are welcome to send your child in with something fun to share with his/her classmates. The teacher will allow the child to pass out the fun item or lead the fun activity, and the class will spend 10-15 minutes celebrating your child's big day!

Non-Food Ideas: Glow sticks, stickers, play dough, coloring books, bookmarks, read favorite book to class, play a game of Simon Says...

Please let the teacher know what you intend to provide for the celebration.
