SKYVIEW MIDDLE SCHOOL PTSA
COOKIE GRAB

Happy Holidays!

We need volunteers to make 2 dozen (or more) cookies or treats for the Cookie Grab we sponsor for our staff! Think creatively so there will be a wide variety of sweet treats to choose from. Each staff member gets to come fill a bag with a dozen treats.

Let's show them how much we appreciate them!

We have 115 staff members and therefore need about 1,400 cookies/treats. Cookie grab will be December 14th!

Drop off your goodies by 10am

Thank you so much for helping to provide this token of appreciation to Skyview!

Technology Detoxification!

As we approach the upcoming Holidays, one of the most important thing is spending time together, as a family. We have so much technology in our lives, that it invades our everyday lives and thoughts. I would like to challenge each family to try to do a technology detoxification over the break. What does this mean? Try no phones at dinner, no matter what. Try no computers or I-pads for one whole day. Try to spend more quality time with your loved ones and more time talking to them. You would be surprised what you learn! I hope you all have a happy and healthy holiday season! - From Erika Radcliff, RN and Jana Grebas, Health Para.

CALENDAR UPDATE

Please note: ALL secondary schools within the Power Zone (including Skyview Middle School) will be on a 3-hour early release schedule for Friday, December 15th and Friday, May 25th. Please make a note of these changes as students will need to be picked up at this adjusted time. Middle School end of day bell schedule for an early release is 11:55am. Buses will also be altering their schedule to pick up students for these early release days. Any student on Free and Reduced Lunch will have an opportunity to pick up a sack lunch to take home with them. Information will be out soon about this process.

Dear Skyview Families,

I would like to update you on an issue that has been occurring at Skyview. Students are texting their parents and telling them that they are sick and need to go home. Parents then come to pick up their child and the Health Room never knows that they left. If your child texts you that they are not feeling well, please direct them to the health room. There are a number of reasons why this is important. First, we can evaluate your child and perhaps we can treat them so that they can stay in school. Second, if we evaluate them, we know what brought them in to the health room. I check attendance logs and illness logs so I can see if there is an illness coming from a particular area. This is important because we can deep clean those rooms and I can try prevent an outbreak. We were monitoring the flu this year on 2 teams to watch for an outbreak. I also monitor children that continue to come to the health room to see if there is an illness pattern. This may assist the doctor when treating your child. My goal is always to keep your child healthy and safe and I cannot do this without your cooperation. Lastly, it is against our technology policy for children to text during the school day. We will never deny your child from contacting you and we will do this for the child. With our weather being so crazy this year, I am anticipating more illnesses. Please feel free to contact me if you have any questions or concerns.

Warm regards,
Erika Radcliff

Please have your student check the lost & found for clothing items or lunch bags they have misplaced. These items will be donated to charity over Christmas break. Smaller items such as jewelry, keys or eyeglasses will be held in the office until the end of the year.

Parents/Guardians,
To ensure that we end the 1st semester with all the students’ meal accounts current and not owing for lunch loans, we are enacting a "NO LUNCH LOANS" policy effective Monday, December 4th through December 15th. Please make sure your student has lunch money or brings a sack lunch each day for the remainder of this semester. Thank you!
It's the Holiday Season!
