8th Grade Elitch Gardens Trip!

On May 22nd, the 8th grade students will be taking their yearly end of the year trip to Elitch Gardens in Denver. We will be leaving at 8:00 AM and will return around 5:00 PM that afternoon. Students may not bring food, sack lunches or coolers into the park. Elitch Gardens will not “store” or “hold” food, sack lunches or coolers in or at the park. Students may bring a backpack or purse, but it will be searched upon entry into the park. Water bottles are allowed. They are also welcome to bring cash for fast passes, games, etc. Please make sure to watch the weather forecast and dress appropriately for predicted temperatures. School dress code does apply. Items to think about bringing include sunscreen, sunglasses, and layered clothing. Please contact Ms. Streib with any questions at 495-1149 ext. 4221 or dstreib@d49.org.

Moving over the summer?

Please notify Skyview as soon as possible if you will be moving over the summer, whether it’s simply an address change or withdrawing your student to attend a different school. This ensures the proper paperwork is completed and the student’s information is updated in Infinite Campus. Thank you!
No Lunch Loans starting May 1st

Per District 49 policy, students will not be permitted to borrow lunch money at Skyview for the remainder of the year. Please make sure your student has lunch money or brings a sack lunch each day. You may add money to a lunch account through payforit.net. Thank you!

All Library Books Due Thursday May 3rd!

With the end of the year right around the corner I need to get all the library books back in the library. This year the “big return” is a little earlier than previous years because the library will be getting new carpet and new paint over the summer. Since this will be happening I need to pack up all the books and computers before summer break begins.

I appreciate everyone’s help in getting the books back on time!
Thanks for a great year!
Mrs. Johnsen

Lost & Found

If your student has lost a clothing item or lunch bag, please have them check the lost & found bins before the end of the school year, as these items will be donated to charity this summer. Smaller items, like eyeglasses, keys or jewelry, are in the office at Ms. Tammy’s desk.
Severe Weather Procedures For Skyview (After Hours)  
(Hail, Lightning, or Tornado)

Skyview Middle School is working to improve communication, especially when it comes to student safety. Currently, we are working on a procedure to provide student safety in the event of severe weather during school release. Using various means of weather alerts/data (Weather Channel/Weather Bug/lightning meters/etc), Severe Weather Procedures for Skyview may be implemented prior to and during school dismissal.

Steps:

1) The admin. team makes the decision to “call” for severe weather procedure by 2:40PM, if possible.

2) Office staff will send parent notification via Auto Dialer
   
   "Due to the severe weather (Lightning/Hail/Tornado), Skyview Middle School may be using our “Severe Weather Dismissal Procedure,” causing students to be located in a safe area until further notice. We anticipate a 10-15 minute delay for student dismissal. Please remain in your cars and DO NOT park them unattended on the street. Your student will be out of the school as soon as we can determine it is safe to go outside."

3) Teachers will make an announcement in their classes specifying where students should go, based on their needs to get home. We have designated areas for bus students, car riders, and students that walk home.

4) School is dismissed with severe weather exit in process:

**Bus Students:**
   Report to the small gym, have a seat on the floor, and wait until released to load bus

**Students who walk home:**
   Report to the cafeteria, have a seat near the front of the cafeteria. When the Decision Team lifts the “severe weather” students will be let out the door in the cafeteria closest to the kitchen.

**Students who are picked-up:**
   Report to the cafeteria, have a seat near the back of the cafeteria. When the Decision Team lifts the “severe weather” students will be let out the door farthest back.
