Nutrition Services—Meal Payments

Please take advantage of the options to prepay your student's meal accounts. Prepaid meal accounts help the lunch lines go faster and gives students more time to eat, relax, and play. It also gives you the peace of mind of not having to worry about looking for lunch money every day or worry that it might get lost, stolen or used for other things other than lunch.

Online payments are a simple, safe and secure way to make payments to your students account 24 hours a day at your convenience.

If you were a "Pay For It" user please log into your Pay For It account before going to Payschools Central. Once you have logged into Pay For It, please change your password. By changing your password, your Pay For It account information will be automatically rolled over into Payschools Central creating a new account for you in that system.

Skyview also accepts cash or checks payable to Falcon Food Service.

Can you believe that it is September already? The biggest thing that we are currently seeing in the Health Room is colds and sore throats. We have not seen very many fevers which tells us that we have the common cold virus going around. Sore throats are common with colds as nasal fluids are draining down the back of the throat. We encourage lots of cold fluids to help with the irritation. Your student can have cough drops at school with parent permission and they must be kept in the Health Room. If you have any questions for us, please feel free to call us anytime. 719-495-5562.

A great fun family activity this September is the D4.9K fun run and walk. Save the date for Saturday, September 29th. There will be GREAT prizes including computer giveaways. Please join us! Sign up under Skyview. The winning school will win money for their school's wellness program. We would love to be able to share these funds with your student.

Thank you,

Erika Radcliff, RN and Jana Grebas, Health Para

INTRO TO PIANO

As I am still in the process of computer repair on my laptop, students will receive download instructions so you can put the eMedia software onto your home computer. The midi keyboards that are being rented cannot function without the software! Once I am able to create their accounts I will be sending the information home with each student. Thank you for your patience while IT is working on this project!

EACH STUDENT IS REQUIRED TO HAVE A PIANO OR PIANO KEYBOARD. WE DO HAVE SOME FOR RENT!

Please make sure that your student has created a Practice Record account through the online website below. All piano students have received hard copies to fill out for two purposes:
1) to keep a written record of their practice time and 2) in case the internet is every out or disabled!
https://www.onlinepracticerecord.com

Practice logs are due weekly. Students who do not turn in their logs will receive a failing grade which cannot be made up.

PIANO CLASS FEE $25

What is DRIVEN??

“DRIVEN” is an after school Christian club opened to ALL students regardless of denomination. Our sponsors are Dr. Jarmon and Mrs. Kuenn. Together, they put together community projects for the kids such as Operation Christmas Child and “Project Stuff-It” (an outreach for the homeless teens of Colorado Springs). We also have short Bible studies relating to topics kids care about today! We play games and sometimes watch a video!

Our first main project for the 1st semester is

Operation Christmas Child!

National Collection Week – November 12-19, 2018

The amazing journey of a shoebox gift begins with you! Children all over the world will receive a shoebox for Christmas filled with items that they might never see in their villages, towns or even refugee camps! We want to bless these young teens with a small gift of happiness that we can share with those less fortunate than ourselves! Remember the date and plan early for our collection drive!

Now in its 21st year, over 2 million kids across the United States will show up early to pray for their school administrators, staff and peers! Parents are welcome to stand with participating staff members, behind their students as they take the lead to pray!

This year, the event will occur in every state in the Nation as well as in Canada, Korea, Japan, Turkey and the African nation of the Ivory Coast.
