

2011-12 Falcon Middle School Chapter of the National Junior Honor Society

Out-of-School Volunteer Hours Documentation Log

As a member of FMS NJHS you are required to complete 20 hours of community service and 10 hours of School service per year. While we provide opportunities at school to complete the school service requirement, the community service is totally up to you. With this year's inductions taking place in the winter and spring, you have an opportunity to complete your community service hours over the summer break. These hours must be completed with no compensation of any kind given to you. After you have completed the hours, please complete the following form.

Member Name:	
Date of Service:	Hours Completed:
Type of Service: Community	
Description of Service:	
What did you learn from participating in the service?	
Organization / Teacher / Witness / Supervisor's Signature
