

Falcon Peak Health Center

Welcome to Falcon Peak Health Center! We are proud to serve Falcon School District 49 (D49) students and their siblings; newborn through 21 years of age. We ensure that your child's well-being is safeguarded by attending to their physical and psychological needs as he or she grows from childhood into adolescence.

AspenPointe provides all Behavioral Health Services for the Falcon Peak Health Center. The counselors see D49 children on site and at several of the D49 schools. To see a counselor, you may be referred by the child's school, Falcon medical staff or self-referred. Please call (719) 572-6100 or (719) 344-6247 for further information.

If you or your child are having an immediate crisis please call Colorado Crisis Services toll free at 1-844-493-8255 or visit a crisis walk in center at 115 S Parkside Dr or 6071 E Woodmen Rd, Ste 135.

Appointments for Minors

If you wish to send your child to the appointment alone or with another adult other than yourself, we ask that you complete a "Permission to Accompany Minor" form at the initial visit. These are available at the front desk.

All insurance plans are accepted for medical services! Uninsured patients are also accepted.

We collect insurance information to bill for medical office visits, however, if the insurance carrier does not cover charges for the visit, you will not be billed for any charges encountered at the SBHC. Please be sure to bring insurance information with you to your visit so we may contact your carrier if applicable. Please contact AspenPointe for accepted insurances and any possible fees associated with Behavioral Health Services.
