

Falcon Homeschool Program

Health & Wellness 2020-2021 through the pandemic!

FHP Staff & Families are always grateful for all the Health & Wellness resources that are provided for our part-time program & students!

“Teamwork is the secret that makes common people achieve uncommon results”

- Ifeanyi Enoch Onuoha

This year FHP tried to reflect on Health & Wellness items and resources that can be used in person and during eLearning

Conversations Starters

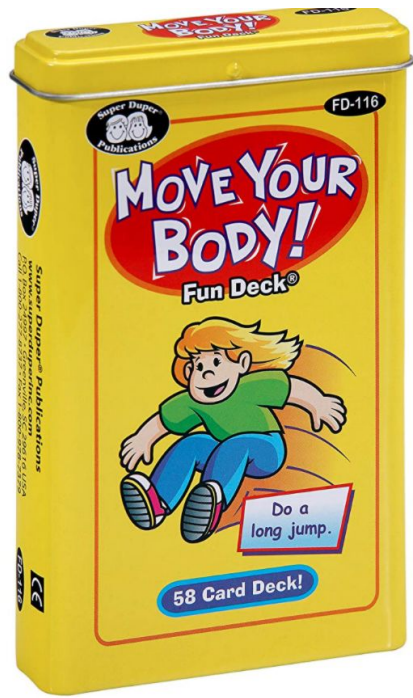

These resources can be used during eLearning or In Person!!

Once we got back to in-person in January.....

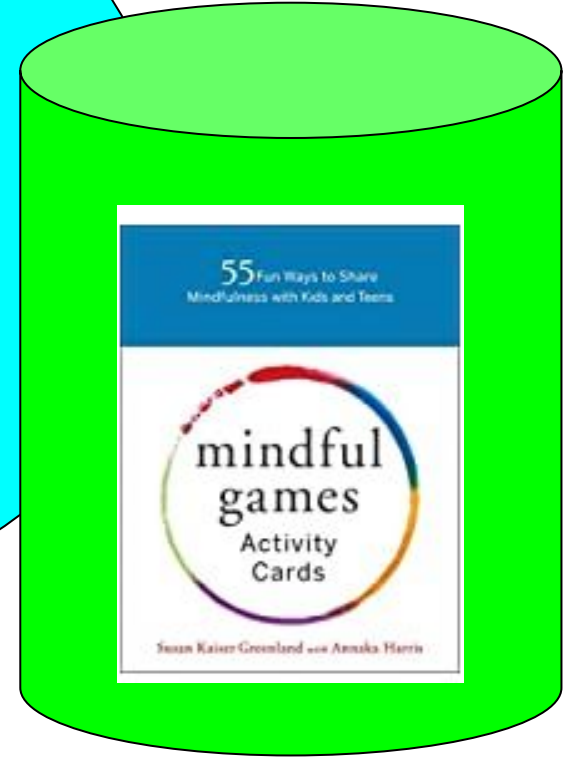

Students at enrichment rolling the dice waiting for morning meeting to begin or between classes. They have even asked for them at lunchtime! Academic students had a group in our new C3 that was called “Conversations” and used these new tools.

Items that give
FHP Enrichment
New Recess IDEAS!

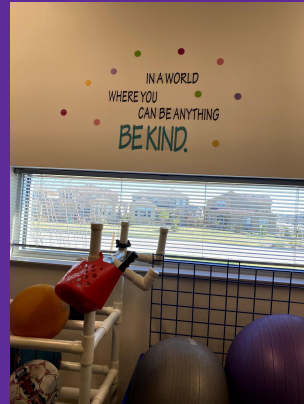

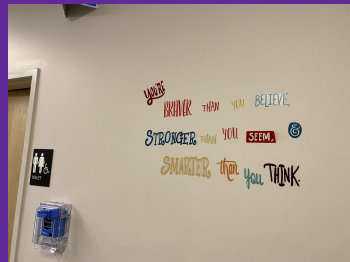

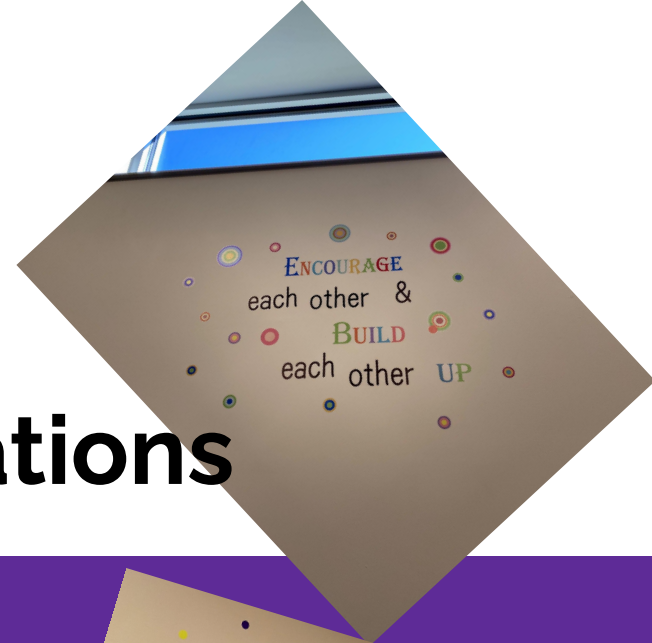

Activities to help with FHP Academic Leadership Time

FHP Purchased a two year subscription to online Physical Education curriculum which come with videos & handouts! Another resource for our teachers and parents.

Vinyl Wall Clings to spice up the common spaces that students visit! Everyone is enjoying these spaces.

New Space/New Affirmations

The new vinyl wall Clings made
a blank stairwell come alive!
Affirmations for students all the
way up and down.
