Minutes approved

Good things to report

- Hit the ground running starting as soon as we return from break.
- STEM Night was a huge success. Great turnout, super engaging, with resources for parents to access. Approx. 297 families signed in!
- Literacy Night is coming up Thurs, October 25th. Students will be assigned to either the gym or cafeteria. Parents will have the chance to visit classroom for how we teach literacy. There is a drawing for a Kindle for each grade level.
- PTA - Trunk or Treat - Friday, October 27th!
 - Muffins with Mom (see Dojo for more information).
 - Panera Night
- Parent Teacher Conferences - great turnout! Teachers worked super hard to put together a portfolio of data to present to parents how their child is doing.
- Harvest of Love 11/12, 11/13, 11/14.
- Veterans Day - honoring parents all throughout the lunch room.
 - Consider changing the verb - Military Appreciation?
 - Open to active duty.

DAAC Report

- Data presentation from CMAS.
 - Sub committee - looking for parents. Parent Involvement Committee - To form a group based on the number of title 1 schools within the district. How to keep other parents involved and engaged.
 - Restorative Practice - we have a group that will be presenting.
 - MLO Committee? - very engaging and worthwhile committee to join.
 - Charter Sub Committee - to review applications that come in all at once.
 - UIP Sub Committee - to review improvement plans for the schools.

Teacher Reports

1st grade

- Field trip went awesome!
- Parent teacher conferences went awesome, and each received amazing feedback.
- Looking to give parents an accurate snapshot of where they are now and where they need to be.
- CKLA Listening and Learning - Mesopotamia, aligning with art.

2nd Grade

- Great turnout at conferences.
 - Parents seeking Math support - logged up for Zearn.
 - Eureka Letters - to give parents a guide.
 - ST Math
- Interventions are going well - increasing the level of each intervention - making the interventions harder.
- Studying Greek Mythology

Kindergarten

- We are studying plants and the life cycle.

3rd Grade

- Wrapped up Rome - moving into light and Sound Unit.
- Finished Measurement in math moving into multiplication and division

4th Grade

- Finished middle ages. Knee deep in poetry!
- Multi step word problems in math.
- Science - finishing up ecosystems - Colorado geography.

Question - Social Emotional Portion of the day? Where is it?

- It is not explicit... however we are working to make it so!
- If you are in the pit. How can you get out?
- Community Circles - Padilla coming in!

How is Dojo doing?

- An effort to open up the door for parents to communicate!

Zone Scorecard

4 Pillars - Student success, people, service, innovation and growth

Hoping to grow in parent satisfaction

**On the website - with every single school.

Next Meetings:

Tuesday November 6th

- Will go over UIP.

- How we keep and maintain our growth from last year.
- Following the model to work with specifically targeted intervention group. Based on the exact need they are struggling with.
- Maintain and continue to grow.

Tuesday December 4th
