

Welcome to 1st Grade Class of 2019-2020

Welcome Incoming First Graders!

We are so excited to have you join us in First-Grade next year! We have many activities and fun adventures planned throughout the year. We get to find out about the explorers of the United States, the solar system, animals and where they live, and so much more!

Things to practice this summer

We can't wait to get to know you a little bit better next year! We need you to READ READ READ! Also, you should learn how to tie your own shoes and zip your own coats.

Next year you will be learning how to write with perfect handwriting. You will also learn how to be an author when we write stories that have really happened, or stories from our imagination.

In math, we will be learning about shapes, measuring and how to add and subtract.

All of these skills would be great things to practice over the summer in order to get ready for 1st grade!

Here are some resources for you to use over the summer:

- Lexia Core 5 app (only up to level 9)
- ST math app
- Reflex app
- MyOn app
