

# Ridgeview

## Welcome to Fourth Grade

Dear Future Fourth Graders,

Congratulations! You did it; 3<sup>rd</sup> grade is almost done! In August, we will be your 4<sup>th</sup> grade teachers. We are so excited to get to know each of you. Mrs. Baba, Mrs. Orinak, Mrs. Sims, and Mrs. Wold are Ridgeview's fabulous fourth grade team.

If you want to be the best you can be when you start 4<sup>th</sup> grade you will need to practice your 3<sup>rd</sup> grade skills over the summer. We want you ready to learn for the new school year. Here are some tips to help you prepare for 4<sup>th</sup> grade.

### Reading

Students should be able to describe characters in a story and explain how their actions contribute to the sequence of events.

Remember to read over the summer and tell someone about the story you read. Describe the characters and what happened in the story.

### Math

Students should have a strong understanding of place value by the end of third grade. Students should be able to fluently add and subtract multi-digit numbers with zeros.

If your child does not have all addition and subtraction facts memorized, please make this a priority.
