## Please Note

The District 49 Board of Education directors approved this 2014-2015 school year calendar Dec. 12, 2013, during their regular meeting. To help with family and staff planning, the calendar is consistent with the prior year. However, students start participating in new state and national assessments in 2014-2015, so testing windows are approximate. Modifications could be made based on state or national testing announcements.
