

Global Collaborator

Students use digital tools to broaden their perspectives and enrich their learning by collaborating with others and working effectively in teams locally and globally. Students:

- use digital tools to connect with learners from a variety of backgrounds and cultures, engaging with them in ways that broaden mutual understanding and learning.
- use collaborative technologies to work with others, including peers, experts or community members, to examine issues and problems from multiple viewpoints.
- contribute constructively to project teams, assuming various roles and responsibilities to work effectively toward a common goal.
- explore local and global issues and use collaborative technologies to work with others to investigate solutions.
