

SAC Minutes 9-6-16

Called order 430

Minutes approved consent.

Patty - Kids off to good start

Path to empathy - half first semester, next half second semester

Mrs. Kuenn - Special Ed has success class that helps in each class. Every Thursday Spec Ed monitoring. Also gets their missing work and organizing backpacks.

Pat Claman - Student ended up on wrong bus but bus driver drove him to where he needed to be. On iPad team and doing well. Enjoyed having "New to SMS" students have time on Aug 1st before all the kids started.

On iPad night did not get to meet teachers.

Ms. Halley - teamwork this school has is awesome. Meeting the needs of kids is great.

Dr. Pickering - Also sees how together the faculty at SMS is.

Mr. M - Also likes talking with all the staff. School has come so far (was a student) all the new tools and resources. Still have growth mindset.

MLO - chrome book carts - for assessments - now taking ASPIRE. Also redo computer lab. And part time SRO.

*th

Math scientific Method, Newton's law

Math graphing, number sense

LA tone vs. moods plot elements types of conflict.

7th

Sci - cells, diagrams animal vs. plants and onion and cheek cells
