Welding*
Zoo Keeping*

Career Start inspires high school students to start exploring career opportunities, start gaining knowledge and skills toward students' career goals, and start earning college credits and certificates.

- ◆ Students attend Career Start classes Monday through Friday. All classes are held from 9:00 - 11:40 am with the exception of second-year Zoo Keeping students who attend 12:10 to 3:40 pm Monday through Thursday.
- ◆ Classes take place at the Centennial Campus in classroom and lab settings. Construction and second-year Welding students attend special lab locations.
- ◆ Students are in class with other high school students from area schools.
