**Bennett Ranch Elementary SCHOOL MLO FUNDS**

| Program,<br>Safety/Security,<br>or Technology<br>Need | One-time | Periodic | New | Expand | Rationale   | Total<br>Requested |
|---|----------|----------|-----|--------|---|--------------------|
| Technology &<br>Safety                                | X        |          | X   |        | Bennett Ranch would like to purchase 4 additional radios to use within the school. These radios would be used with teachers taking classes outside on the playground, para-professionals monitoring students in special education programs, and for additional events where additional supervision is necessary. This cost is for the 4 radios and programming expenses so that they are connected to the campus system. This allows for the Security officers and SRO to be able to communicate with these radios as well. | \$2,088.00         |
|   |          |          |     |        |   |                    |
