

Parent Coffee 2/7/17

Administration in attendance: Theresa Ritz, Kim Moore, Marjorie McKeal

Introductions

MLO: Overview of the plan to spend the MLO funds. Priorities are safe entry, fencing around the modular and the back of the school, additional cameras and exterior lighting and update interior paint and flooring.

Reading Scores: Mrs. Ritz provided a handout and went over reading data. Ridgeview scores are among the highest in the district.

Feedback from parents:

Security Cameras- Ridgeview currently has security cameras in place, which are monitored from the front office. A portion of the MLO funds is being considered for use on additional security cameras.
