

The Power Zone Elementary Schools stray slightly from the district calendar at the beginning of the school year! Please mark your calendars now to avoid any confusion during those busy first few days.

August 2nd: Family Orientation Day for Power Zone Elementary Schools (Ridgeview, Odyssey, ALLIES, and Inspiration View)

August 3rd: First Day of School for all Power Zone Elementary Students (Including Kindergarten)

The Power Zone Secondary Schools align with the district calendar on these dates, but Power Zone Elementary Schools do not.

Family Orientation Day is a calm, welcoming way to start the school year off right! Students and parents get to visit the classroom during a specific time-slot to engage with their teacher as well as a few peers, plus learn more about what the school year will look like prior to the first full day of school August 3.

Important information is shared about:

- **Academics**
- **Safety & Security, to include Arrival & Dismissal Information**
- **Classroom Expectations & Procedures**

We can't wait to see you at Family Orientation!

Please contact your child's school should you have any questions about Family Orientation.
