Principal's Post

We hope that you were able to have a restful Spring Break and are ready to get back to our last quarter of the school year. We have a full April and May and we want to finish the year well. We are excited about this coming month as we kick off *One School, One Book*. Each family at Springs Ranch will receive a copy of *The World According to Humphrey* by Betty G. Birney. You also received a letter that paces out the reading schedule and has topics and questions to help get the conversation going. We want to highlight that April 12 at 6:30 will be a family reading night with Humphrey. We hope you can join us then. And yes, we have an actual Humphrey the Hamster traveling around the school from class to class. We hope you enjoy this school wide activity and have a chance to spend some great family time together.

Pizza Bingo was Great Fun!

Thank you to the many families and staff that came out for our annual Pizza Bingo Night. Great Fun was had by all! There was plenty of Pizza and Plenty of winners to collect prizes. Thank you, as well to all of you who were able to donate items to raffle and for prizes. We really appreciate your support in this family event!

Things You Need to Know

- During the month of April our 3rd, 4th, and 5th graders take our Colorado Measures of Academic Success (CMAS) Tests. This is a great opportunity for our students to shine and show all of Colorado how much they've learned. If you have a student in these grades, you have already received information about these assessments. We are confident that our students are ready and will do great! All grades will complete end of year assessments during the month of May.
- Coffee with the Principal – Parents, you are invited to have coffee with the Principal on April 16th. This is just a chance to get a cup of coffee and chat with Mr. Kyner and Mrs. Landon about anything that's on your mind. We will have coffee near the flag pole at 7:45 a.m. No need to RSVP, just stop on by.
- We have 15 fifth grade students who will be participating in Battle of the Books on April 13th. These students have been reading a variety of challenging books and will compete against other schools in answering questions about the stories.
- Kona Ice will be here at the end of school on the following dates:
