Musical

November 15 – Skate
Night 6:00 – 8:00

November 19-23 –
Thanksgiving Break - No
Students

November 26– Students
Return

Principal's Post

We hope you had a restful fall break. It did not take long for our staff and students to get back in the routine of teaching and learning. As we begin our second quarter, we wanted to share some questions you can ask your child about their day (without saying, “How was your day?”).

- What feedback did you get today? Who gave it to you and what did you do with the feedback?
- Tell me about the best part of your day.
- What was the hardest thing you had to do today?
- Tell me about what you read in class?
- Who did you play with today? What did you play?
- Can you show me something you learned or did today?
- Who did you help today?
- Who made you smile today?
- What is one new fact that you learned today?
- What questions did you ask today?

As we engage our students in conversation about their day it lets them know that their education and experiences are valuable. It will also give you insights to where they are having success or struggling. As always, please reach out to the school if you ever have any questions.

Care and Share!

**One can,
Two cans,
Who can?
You can!**

Did you know that 1 in 5 children in Southern Colorado don't have enough food? To help these families we are participating in the annual Care & Share Harvest of Love food drive. **We will be collecting non-perishable food items beginning Monday, October 29, 2018 and ending on Wednesday, November 14th.** Care and Share needs high protein items such as canned meat and peanut butter. Another item they always need is rice. Thank you for your support in our efforts to fight hunger across Southern Colorado.

*Whether you
think you can or
whether you
think you can't,
you are right.*

Are you Ready “Weather” or Not

We are in that time of year where we can experience inclement weather. If wanting information about weather related closings or delays go to do the D49.org website. If there is inclement weather at arrival, we will put yellow flags out indicating students can come in the doors prior to 8:20.

Help Keep Us Healthy

As we approach cold and flu season we want to remind you of our policy when it comes to children who are sick. Please remember if your child is displaying symptoms such as a fever, vomiting, or diarrhea, they should stay home. Please do not mediate your child and then send them to school as they could spread sickness. If your child becomes sick at school with these symptoms, we will call you to pick your child up. We appreciate you having up to date and accurate contact information so we can get in touch with you. Please talk with your child, as we do, about good hand washing practices. Finally, we do regularly disinfect surfaces in the classroom and around the building. If you have any questions, please do not hesitate to contact our Health Clinic.

From the PTO

As we approach Thanksgiving there is much to be grateful for. Thank you to all the parents that provided food for teacher appreciation during conferences. Thank you for your participation in our recent PTO fundraiser. Through your efforts we raised nearly \$7000.00. Thank you to the many parents that have volunteered to serve in various capacities throughout the start of our year. There are always ways to be involved with the PTO and encourage you to look at ways you can participate.

Doing some shopping on Amazon for the Holidays? Use Amazon Smile to support Springs Ranch Elementary.

Be on the lookout for a new Spirit Wear Flyer coming soon.

Thank you to our Watch Dog Dads!

Book Fair Success

Thank you for your support of our Book Fair. Your generosity helped us raise over 10,000 dollars. Our next Book fair will be in February.
