

# **Skyview Middle School SAC Meeting**

## **November 16, 2017**

Call to order 5:34 pm

Introductions

Approve agenda

Approve minutes - October 2017

### **Good things to report**

- Thankful to be part of an awesome team who supports special education. Special Kudos to Jason Newberg and Jen Hilborn.
- Veterans Day Concert was a success.
- VRHS Marching band goes to Disneyland to march in the parade.
- Skyview 6<sup>th</sup> Grade Basketball Boys Both A and B team both won their games.
- A student with special needs has been allowed to participate on the Boys Basketball game.
- Grateful that Thanksgiving break is coming.

### **DAAC report**

None-Meeting on Dec 5th

### **Old Business**

- No Fuss Fundraiser Update
- Total thus far is \$1,880.00 but we will continue to collect money.
- Could we do a coin competition by class or team?
- Path 2 Empathy Communication and Activities

### **New Business**

- Plan for January Meeting
- Budget Priorities-We would like to have some suggestions ahead of time so that the committee review and provide comments.
- Posting of the agenda to set it for the next meeting has to be out 2 weeks prior.
- Parents voiced a concern about the DAC not having a say in the District Spending priorities.
- Could we do a competition by grade levels for keeping the hallway cleans? Could we spare \$100.00. Could we do a trash can competition? This could build awareness for the trash? PSA from our broadcasting to talk about picking up trash and taking pride in your school.
- Maybe some awareness about keeping the school clean. Maybe students in ISS can do some community service.

## **Teacher reports**

- 6th Grade-LA they are working on narratives. See the movie Dec 8<sup>th</sup> due to bussing. WH- Ancient Rome, Science is doing the big Monserrat mission and Math is doing expressions proportions and ratios.
- 7th Grade-Science working on the human body and they are dissecting chicken wings, LA iPad reading the giver and EH is working with Advent of Islam and Renaissance Reformation.
- 8th Grade-Math-Proportions, Expressions, LA working on Six Trait Writing and the Super Turkey, A and C just finished Physics Olympics. B team is working on Weather. American History Team is American Revolution and B and C are finishing the Colony.
- Enrichments-Broadcasting they are working on getting into the Teachers classrooms to video tape what is happening in the classroom. Adding it to their Digital Portfolios. Forensics kids on their DNA and when they get back from break, the start the investigation into the death of Tom Brady. SOAR- 6<sup>th</sup> grade has just started the Nano tech unit, 7<sup>th</sup> grade working on their strong hold locations, 8<sup>th</sup> grade- Reinforcing Physics with bridge building.
- SPED-New full time teacher in the SED program.

## **Questions/Agenda items for next month**

Ed-What can be done to instill pride in our students? Pride competition posted in the cafeteria? A reward that doesn't cost the school, but the kids will like it?

Could we do a pride area each month to complete the competition.

Recommendation from Ms.Tinucci for budgets.

Adjourn 6:32 pm
