

Remington Elementary SAC Meeting Notes
September 12, 2017

Meeting was called to order at 3:20.

Members in attendance included Lindsay Alonge, Lisa Fillo, Lori McCoy, Trisha Butler, Carolyn Leyes, Jamie Minette, and Sean Dorsey.

Jamie Minette was elected as Co-Chair and Trisha Butler was appointed as Secretary.

Lori McCoy will continue as the DAAC representative. She will have to miss the next two meetings so Lisa Fillo will attend one of the meetings in her absence and Trisha Butler will attend the other meeting.

Principal's Report: Lisa Fillo shared that the year is off to a great start. A data dig was scheduled at 4:00 to discuss areas of growth and needs. She also shared that interventions are being more directed on individual DIBELS subskills as opposed to an overall score. Patti Montgomery visited on the 12th and observed small groups. Feedback will be given to individual teachers and the importance of decodable text is being stressed. Additionally, PBIS is taking off which has resulted in a decline in referrals. The Boosterthon was successful. Considerations for next year include possibly changing the date as teachers were worried about not knowing the students as well as when it is later in the year and the concern about the timing of asking for money so soon after parents had just purchased school supplies and paid class fees. Planning team will follow up with the leadership team and check with parents before making a commitment for next year.

DAAC Report: Lori McCoy shared that she submitted our meeting dates to the DAAC. Our SAC priority budget is due in Jan. Also, she shared that Amber had talked about the changes to accreditation.

Carolyn Leyes shared that we were able to start small group interventions the 1st day of school which they feel will help with growth in the long run. We currently have 5 interventionists and students that need interventions meet with an interventionist 5 days a week. Interventions are targeted to subskill needs.

By Laws will be presented at our next meeting.

Our next meeting will be Thursday, September 28th from 5:30-7:30 at Sand Creek High School. 5:30-6:30 will be the Remington SAC meeting and 6:30-7:30 will be the Zone meeting.

Meeting adjourned at 4:00
