Title I School Family Compact/Policy

Title I is the nation's largest federal program for schools. It provides funding for increasing student achievement in school based on the economic level of families in the school's attendance area.

The purpose of Title I is as follows:

- Help every child receive a high quality education
- Build capacity for family engagement
- Meet the requirements of the *Every Student Succeeds Act*

Parent Involvement Policy - The staff and parents of EES believe that the improved academic achievement of each student is a responsibility shared by the entire school community. This includes the school district, school administration, school staff members, students, community members, and parents (as defined for purposes of this policy and to include guardians and all members of a student's family involved in the student's education).

School Family Compact - All parents, students, and school staff members are asked to sign the *EES Compact* at the beginning of the school year. The compact is an agreement between the parents, students and school that says we will all work together to ensure the academic success of every child.

As A Parent I Will:

- Ensure that my child goes to school regularly and is on time
- Monitor homework: provide a quiet time and place for completion and reading
- Monitoring television watching
- Encourage positive use of extracurricular time
- Attend all parent/teacher conferences
- Volunteer in the classroom as able
- Participate in school activities – Family Literacy and Math night, field trips, students programs, etc. as able
- Communicate regularly with school staff regarding your child's needs and circumstances
- Support and follow school rules, and procedures of the school and district
