## Falcon Elementary School of Technology Title I School & Family Compact

Title I is the nation's largest federal program for schools. It provides funding for increasing student achievement based on the economic level of families in the school's attendance area.

The purpose of Title I is as follows:

- Help every child receive a high quality education
- Build capacity for Family Engagement
- Meet the requirements of the *Every Student Succeeds Act* (ESSA)

**Parent Involvement Policy:** The staff and parents of FESoT believe that the academic achievement of each student is a responsibility shared by the entire school community. This includes the school district, school administration, school staff members, students, community members, and parents.

**School & Family Compact:** All parents, students, and school staff members are asked to read the *FESoT Compact* at the beginning of the school year. The compact is an agreement between the parents, students, and school that says we will all work together to ensure the academic success of every child.

## As a Parent I will:

- Ensure that my child goes to school regularly and is on time
- Encourage positive use of extracurricular time
- Attend all parent/teacher conferences
- Volunteer in the classroom as able
- Participate in school activities
- Communicate regularly with school staff regarding your child's needs and circumstances
- Support and follow the procedures of the school and district
