**Lots of things happening in Choir & Piano classes!
The keyword to success is PRACTICE! PRACTICE! PRACTICE!
This is the month where practice for ALL students is not just
necessary but mandatory and graded assignments.**

**CHSAA Large Ensemble Competition April 5th*
Performance Schedule - TBA*

*Spring Concerts & Recitals
April 30th – Honor Choir & 6th Grade

Honor Choir News

All Honor Choir students will need to have a permission slip to attend the competition. The competition will be held at **COLORADO SPRING CHILDREN'S CHORALE BLDG. 1409 Palmer Park Blvd. Colorado Springs, CO 80909** on **April 5th** during school. **The fee for participation and registration is \$10 per student. Please make your check payable to SMS and note your students name.**

Remember: this competition is a graded event for all 7th & 8th Honor Choir students

As the competition date approaches I will be sending more information on departure times for the bus and performance times for each performing group. Each student will need to bring either a sack lunch or money to purchase concessions. I am desperate need of at least 4 parent chaperones. There is a space on the permission slip to check if you would like to chaperone. Chaperones will have to provide their own lunch. Please remember that if you are chaperoning, you must have fingerprints on file with the District.

6th Grade Choir

The quarter is off to a good start. Please make sure that your student returns their entire signed syllabus and brings supplies outlined in their syllabus. Please prepare early for your students to have the proper concert attire: black pants and white shirt (as outlined in the class syllabus). 6th Grade choir students will perform at both Spring and All-School concert.

INTRO TO PIANO

As we head into the 4th quarter my piano students have moved out of the beginner stage! All students have received recital pieces are being challenged to move up a little higher! I've introduced students to complex rhythms, intervals and chords structures. These theoretical concepts are not easy to grasp at first, but their comprehension is improving with continuous activities and assessments. These concepts will aide them in creating their final exam – their own piano composition! Stay tuned for more information!
