

Sand Creek High School  
School Accountability Committee  
11/27/18

Welcome and attendance: Shaunna Walewski, Jennifer Van Hook, Shelly Demetrelis, Doug Gaydusek, Brian Petzold, and Audra Lane

Old Business:

- Athletic Budget –
  - Brian Petzold explained the athletic budget. The athletic budget is supplemental to athletics on top of what fees do not cover. Football's budget is higher due of the cost of the upkeep and replacement of equipment (i.e. helmets, shoulder pads, etc.).
  - Cost of uniforms – they are on a four year rotation by sport. Replaced varsity uniforms are cycled down to the junior varsity and C team.
  - The Arts (Choir)– does that fall into the uniform rotation? Brian speak with Mr. Christy and will look into the historical purchase for the replacement of the choir dresses, tuxes, etc.
  - Band uniforms have been used for at least 11 years now.
  - Budgets were approved.

New Business:

- Update from DAAC Representative (New DAAC Rep needed) – Lauren will continue to be our DAAC Representative
  - After Winter Break, we will begin the recruit members for SAC and our new DAAC Representative
