

SAC Meeting

10-9-19

Start Time: 17:30

End Time: 18:14

of attendees: 8

Voting Members

Roles:

Chair: DeDe Bolke

Co-Chair: Taz Williams

Secretary: Elisabeth Fisk

Teacher: Margaret Jurek

3 Parents:

Community: (Need)

DAAC Rep: Sharon Smith

Reach out to community for the 3 additional voting members.
Friends/parents who own businesses - replace the Springers

Challenge Day Results

Teacher Feedback

Student Feedback

Adult Feedback

Seeking feedback from teachers, students, and adults who have participated.

Logistical concerns/solutions

Get feedback also from those who did not participate - reasons why - communication, etc.

Better communication as to what "Challenge Day" is - sounds like it could be an athletic event.

Shirts for the student volunteers??

PTC

Thursday October 10th: 5:30-7:30pm

Location - Main Gym

Friday October 11th: 7:30-11:00am

By Appointment

Hope it doesn't need to be rescheduled due to weather. :)

Softball (Back-to-Back PPAC Champions)

Victory:

**Sand
Creek:
12-0**

**Falcon:
8-3**

**Best
In
D49**

Softball game has changed due to weather.
Proud of our girls!!!

SAT DATA

Pathways:

Juniors taking SAT Prep - 530 Opt Out

Met state average in math

For clarification...students opt out of the SAT Prep course and move into a study hall 530 on both math and English

Need alternate dates for PSAT/SAT - band is at a competition on our scheduled date.

Success Center Staff side conversation: Jule & Gates doing great things! Beottcher (sp?) and Daniels Scholarship flyers; four colleges in on one day - woot woot

Change of Traffic Flow

Changes

The new traffic pattern is not going into effect after break - busses cannot go through the loop (too big) and too many of them can only get 9 in and we have 18 busses. Informed by transportation about this being a no-go 10 minutes before this meeting. Will need to meet and figure out another plan.

The traffic flow will change at some point - more likely at semester - with signage. Had met with just about everyone - city engineers, BOE member, district security, etc. We are looking at putting down some rocks (aggregate) in the field part of the student parking lot to add 100-150 more parking spots.

Reminder Graduation Requirements

Class of 2021: Demonstration of Mastery

- **Assessments (SAT, Accuplacer, ASVAB, Work Keys)**
- **College Credit (CE or AP scoring 2 or higher)**
- **Capstone Projects (Second Semester)**
- **Industry Certification**

Senior Pathways for next year - two big areas - ICAP complete and credit recovery (if needed) is done, then can opt out or have a study hall.

AP - 3 is college credit; 2 meets mastery requirements

Next SAC Meeting

6 November 2019

Anything for DAAC? No.

Anything FROM DAAC? All schools are accredited (all have PERFORMING ratings!!!)
- also talked about the training that was offered last month - also talked about growth of the district and charter schools.

HRS: Explained Level 3 and the parent survey

The HRS process is a system of self-check and balances - why are we doing the things we do? Are those things working? If so, why? If not, how can we change things - The who is all stakeholders - staff, students, parents, admin

What are we doing with the information we obtain from the surveys - answer the "Why should I fill this out?"

Solution focus - transparency
