

## SACC Meeting 10/4/19

- Little leaders (Amy Willis)
  - We have 28 kids this year, we meet once a month, and have partnered up with Falcon High School, which is going great!
  - We will be working on students leading tours around the school!
  - We will have the Purple Ball again this year, the date is still TBD. It will be a dance and dinner with parents
  - They have been working on Red Ribbon week, coming up with great ideas and themes for the week
- Staff report (Amy Willis)
  - We are doing our morning and afternoon circles to build the community in class
  - Every Wednesday teachers have a 90 minute planning hour
  - Amanda is looking for other instructional online programs for students
  - Met with Leader on me coach this week, it went great, giving us great ways to not only learn the 7 Habits but also live it
- District Accountability Committee (DAAC) report (Jenny Allen)
  - Talk about adding a new high school or adding wings to the high schools we already have, 80 percent of the votes went to new high school
  - If the new High School get approved and get the land, it will take 3 years
  - Busses are almost completely maxed out
  - Talked about getting more Mods or waiting and getting Pods and the votes went to Pods
  - District is predicted to have about 1,700 new students within the next 5 years
  - New zones and re-zoning possibly coming
  - New Elementary is expected to be full in the next two years
- CIA (Amanda Bower)
  - Fundraiser went great! Will have the total next meeting
  - Want to use the money for a new turf but we want to assure the turf is done correctly, so if we have to we will save money and get a new turf in the next 3 years
  - Fall Carnival will be November 14<sup>th</sup>
  - Working on the movie for parents night out
- Chair report (Pat Claman)
  - Created a rubric to help us self-check and reflect to allow us to continue to grow
  - Went over Full year plan
  - Big thing we are working on right now is getting more parents on board
  - Working on making Flyers for SAC
  - November 8<sup>th</sup> meeting we will work on the rubric
  - Parent survey's will go out at parent teacher conferences
- Principal Report (Sarah McAfee)
  - School year 2018-2019 we increased 16%
  - Increased CMAS by 49%
  - Increased Math by 38%
  - We had 64 referrals
- Action Steps
  - Goals for 2019-2020

- Go up 20%
- Work on raising math percentage to 10%, we will come up with way to insure our math will go up!
