

**Skyview Middle School**  
**School Accountability Committee**  
**Meeting- December 19, 2019 5:00 pm**

Welcome and Introductions (Pat Claman)

Call meeting to order at 5:00 pm

Approval of Minutes – November 21, 2019 Desiree vote to approve, second. All in favor.

Good Things to Report (Pat Claman)

- Christmas Break! Half-day tomorrow!
- Starting in January she is moving from reading to math intervention for 2nd-5th grade.
- Laura is going to Phoenix. She is going for the golfing.
- Cathy went to the Denver Nutcracker.

DAAC Report (David Rex)

- Presentation- Data Kathleen Granas
- Presentation for SAC's on how to budget priorities
- MLO Presentation for Armed Guards at the secondary school- should be present after March break
- Family Engagement Chair - she wants to create a communication piece that would go out to the parents and would like a calendar of events so that parents could be invited.

Old Business- Reports

- Review Rubric (Pat Claman)
  - Way to grade ourselves in the spring
  - Refer to SAC Responsibilities from CDE
  - [SAC and DAC Responsibilities](#)
  -

New Business (Pat Claman)

- Building Budget Presentation- Financial Emphasis Area
  - See Attached Document- Cathy reviews the MLO 3B and 3A.
  - Only athletic funds are reimbursed for free and reduced lunch.
  - Cathy does a great job explaining where the money goes.
- SAC Financial Emphasis Area
  - Alignment is for SAC to review the principal's list and come up with their own list (broad or construction), may include 3A of the MLO, Consensus is to stay with the current principal list.
  - Suggestion to move the explanation off so that the areas can be broader for example instead of recruit and retain, call it "teacher compensation". Priority from the SAC:
    - School-wide Social Emotional Learning Curriculum
    - Technology
    - Teacher Compensation
    - Teacher/Staff Training
  - Motion from .....for the SAC Financial Emphasis Spending list - Approved

- 2020 Calendar - Upcoming Events
- Semester 1 Celebrations

### Teacher and Principal Reports

- 6th Grade - GeoInquiry projects, Math is working on Ratios, Science is working on a Webquest, SRI/SMI just completed
- 7th Grade - EH: Buddhism and Hinduism, India and China, ELA: Gift of the Magi/and the Outsiders, plot diagrams, figurative language, SRI, RACE, Socratic, Math: Proportional relationships, Christmas ornaments, square root pictures, SMI, Science: doing the caffeine lab, organ display with enlarged hearts, smoker's heart, Hold a human head
- 8th Grade - History: Finishing Rev. War, beginning constitutions, Math: sequencing and patterns, solving equations, graphing slope-intercept form, ELA - sentence fluency papers, Christmas Day in the Morning, writing letters to anyone about Appreciation (gift from the heart), Sci: Waves
- Special Education - Jan.6 PD for sped, Coffee cart - Life Skills Cafe - huge success
- Electives
  - **Props to the band and choir students for excellent concert performances**
  - **Choir: was approved for a new piano lab which will provide 20 piano keyboards with accessories! This is a BIG help as Dr. Jarmon will now be able to teach ALL of her students in ONE location at the same time!**
  - **Forensics and 8th-grade SOAR classes teamed up. Forensic students processed evidence from a mock murder crime scene and the SOAR classes conducted mock trials of the defendant, Mr. Verril to convict him of the murder. 6th period ended up being a hung jury and 7th period found him Guilty**

### Zone Report (Dr. Pickering)
