

# School Accountability Committee

## Agenda

August 25, 2023

Welcome to the School Accountability Committee Meeting. This session will cover several crucial topics, which are detailed below:

- Introduction: We will commence the meeting with an introduction to the School Accountability Committee and its functions.
- Unified Improvement Plan Update: We will provide a status update on the Unified Improvement Plan and discuss the timeline for its signature from the SAC.
- Gym Floor Replacement: An overview and timeline will be presented on replacing the gym floor in the Capital Maintenance & Improvement (CAP).
- Zone Lead and MLO Funding Requests: We will discuss new Zone Lead and MLO funding requests and make decisions on their approval.
- Teacher Requests: We will review teacher requests and determine which ones we can fulfill.
- Community Requests: Lastly, we will review requests from the community and evaluate their feasibility.

We appreciate your participation in this meeting, which is essential in ensuring accountability and transparency in our school system.
