back

DAC report met on
12/8

- Most had to do with
COVID

- Substitute

From parent perspective
lots of student stress
w/ online schooling.

- Sports are back

- having parents

commit? ^{on line or} in person

Waiting to hear about State/federal decision.

March timeline for Educators Vaccine

COVID update: 120 online students

585 - 600 kids

kids not engaging on line although staff
doing all they can to get involved.

* Binax/Abbott

* Bymax (sp?) test COVID for educators
once every 5 days at home

~~Abbott~~

For students showing any ^{symptoms} ~~student~~ they
will get tested at school 15 minute
rapid test. Will be quarantined even if
negative. If student is positive then all in contact
will be quarantined.

Chances for kids remaining in school
70%. * El Paso County COVID dashboard

What can parents do to help ~~to~~ teachers
& staff get ready or do elearning?

+ Positive Attitude.

+ Have kids be on and engaged.

+ Supplies and resources

* May Dibels Screener Indicator for reading

~~Reynolds~~ Didn't see growth but no one
falling behind.

EKLA Vital

Teachers need more time to do interventions

Teachers teaching teachers phoenix^(ha-ha)
Math was ~~not~~ flat

* Staff is super committed!

134 choice kids @ RES

Potential for growth because of new housing. May need to not do so many choices.

Looking at expanding actual school.
