2. Teacher Report - Data Dig
 - a. Mary Marcantel
 - i. Nice to be able to have time to focus and dig into the data.
 - ii. Met with teachers at multiple grade levels to discuss our observations or trends
 - iii. It was great to collaborate with other teachers to see what they were doing to be successful.
 - iv. Helped me see what we need to focus on in my classroom
 - b. Lori Theisen
 - i. We were trying to identify trends from the data
 - ii. We also tried to see what areas were strong and areas of growth
 - iii. The data will also help us with planning
 - c. Bane Sustarsic Harvey
 - i. Walked away with some tools I can use in my classroom
 - ii. Helped me see other people's perspective and find ways to support them in their grade levels with the areas where there were proficiencies.
 - d. Rachel McPeek
 - i. Enjoyed working with teachers in social studies across multiple grade levels
 - ii. I was able to go back to my team and share what I learned
