Purpose of D.A.A.C.

The law mandates that each school district has a District Accountability Advisory Committee to set and oversee goals and to address concerns about schools and the district as a whole. The DAAC meets monthly in Peakview Hall with representatives from each school, the district and the Board of Education.

District Initiatives for 2021-2022: Community Care, Equip and Encourage, Keep the Peak in View, Climb with Community, Portfolio Performance, Primary Proficiency, and 49 Pathways.

What does it look like to build relationships?

Collaboration, transparency, unity, authentic conversations, safe space

SAC:

Character Education books have been purchased in partnership with PTO and PBIS. **Thank you so much!!** Next step is to categorize them, i.e. showing empathy and putting in the teacher resource section.

Boosterthon Update: approximately \$23,000 - teachers will be receiving 10% of what their class brought in. For the school, we have already purchased Missoula Children's Theater for the 23-24 School year for October 23-27! This is so exciting! Met with the Arts Integration team and with other staff members to look at the type of professional development that is needed and valued by staff. This may include Arts Integration with Focus 5 and Habits of Highly Effective People to support staff and student development. If funding remains, we hope to look at purchasing additional playground equipment to replace those we are needing to eliminate due to injuries.
