

Stetson Elementary School Title I School & Family Compact

Title I is the nation's largest federal program for schools. It provides funding for increasing student achievement based on the economic level of families in the school's attendance area.

The purpose of Title I is as follows:

- Help every child receive a high quality education
- Build capacity for Family Engagement
- Meet the requirements of the Every Student Succeeds Act (ESSA)

Parent Involvement Policy

The staff and families of SES believe that the academic achievement of each student is a responsibility shared collectively by the entire school community. This includes the school district, school administration, school staff members, students, community members, and families/guardians.

School Family Compact

All guardians/families, students, and school staff members are asked to read the SES Compact at the beginning of the school year. The compact is an agreement between the parents, students, and school that says we will all work together to ensure the academic success of every child.
